For our January program night, we'll talk about and look at landscape and scenic photography. This is one of the areas in which Camera Club members have expressed the most interest.

We'll have someone who's accomplished in outdoor photography to share ideas and insights, and look at some of our work as well.

Club members will be invited to bring a w slides or prints for critique, without competition.

In addition, we'll have a travelogue slide show from one of our previous competitions. All this begins promptly at 7:00P.M. ON the 4th Tuesday this month!

HAPPY NEW YEAR to all of you!  
Can you believe half of our season is over? Time does fly!

If any of you haven't entered yet, you're missing out on valuable first hand experience and critiquing. We'll never know how good (or bad) our work is until we have an appraisal made of it. That will happen if you join in the competition.

Those of you on the sidelines observing, now have an added incentive as of the new year. You can join for only half price. (End of the year sale.)

Come and join in the fun!!!

# JANUARY

Welcome to all who read our newsletter! We hope we are able to broaden your scope of photography. Especially, you who are non-members.

Did you know you could join us at our weekly meetings without being a member?

The public is cordially invited to visit us 2nd, 3rd, and 4th Tuesdays of each month at 7:00 P.M. in the Boyd Memorial Center at 234 South St. Hbg.

We offer instruction, entertainment, and fellowship. Many of our members are happy to share with you their knowledge of photography. We have learned to "see" the world at large and close-up with a better appreciation of what it has to offer.

Hopefully, we'll be able to help YOU "see" better. Please accept our invitation to come "see" for yourselves!

FROM THE LION'S DEN

I owe my readers an apology. Thru the past couple of months, I've just barely gotten the Groundglass to you much ahead of the actual month's meetings.

Due to the lateness in receiving articles, the newsletter has almost been late. In the future, you should be getting it in reasonable time. There might be only one drawback. Fewer articles! If I'm to stick to my deadlines, this might unfortunately happen.

If any of you want to help me - call 545-1964 after 6:30P.M. evenings.

*Gigi*
