From Our President's Pen 

Can any of you believe that the time has passed so fast? The months have literally flown and gauging from the turnouts at our meetings, we've been quite successful in spite of the weather. Mother Nature has thrown us a few curves, but we've been able to respond nicely.

To remind all of you - there will be two more months of regular competitions before we start our End of the Year ones in April. They will be for Prints and Slides of the Year; and the best of the Slide Essays and Travelogs.

We like to encourage everyone to participate in these final competitions, they are independant of the regular monthly competitions. Hence, you still have a chance to win even though you've not done well in the regular competitions. Please plan on entering one or more of these finals!

## Announcing...

Coming up on March 8, 15, & 29, the Harrisburg Camera Club will present a mini-course in intermediate photography. This will be a course for people that have a camera and know its basics, BUT want to go further in their use of it. As a result, the course will cover the following subject matter: use of lenses other than the normal lens on the camera, use of filters, choice of film for particular results or conditions, telephoto and wide-angle techniques, and flash techniques.

There will be a week's break between the 2nd and 3rd meeting. This will allow the students to try some of the techniques and then have a critique of their work at the 3rd meeting.

This course is open to the general public for a fee of \$20.00, and to club members for \$15.00. The course will be held from 7:00 - 9:00P.M. at the Mount Calvary Episcopal Church, 101 N. 25th St. Camp Hill.

The instructor will be Bob Sobolevitch. He has been teaching photography courses for the adult-ed. program at Cumberland Valley and has many acceptances and placings in various photo competitions. For further information, call 737-2651 or 545-1964.

The meeting at Bryson's studio was a HIT! There were alot of the regular faces plus many new ones. We hope you liked what you saw, and will join us on the 2nd, 3rd, and 4th Tuesdays of each month at the Boyd Memorial Center, 234 South St. in Center City.

A GREAT BIG THANKS to Bryson, Gary, and Chuck for a most enjoyable and educational evening!

Our club is enrolled in the International Club Slide Competition of the Photographic Society of America. We are in Group F with 29 other clubs. There are 7 groups making a total of approximately 200 clubs.

At this meeting, we will show about 50 slides that were selected for duplication from the slide of the year competition. A narration script giving some information on each slide accompanies the set, and should make this a very interesting and informative meeting!

There are 5 competitions throughout the year and each competition in each group is judged by a different club somewhere in the United States. We have been sending the top scorers from our monthly competitions to be judged. We have found that the competitions go very much like our own. Some score higher; others lower. In the end, they average out. As a result, the comments on the winning slides will be interesting!

We are indebted to Sherk Frommeyer for being our representative for this and THANK him for a job well done!
