From Our President's Pen 

I wish to "THANK ALL OF YOU" that attended our "Jam Session" on Mar. 27th. We had over 55 people there. That was some showing of support. Many tremendous ideas came forth and the Executive Board hopes to incorporate many of them in the coming year.

I'm pleased that you weren't afraid to present your ideas! It was especially helpful having so many of our former Presidents in attendance. Their input was invaluable. Many thanks to them!!!

Due to many other projects and lack of time, not all the scoring will be listed in this issue. Don't worry - you'll be able to see what your end-of-year standings are.

Don't forget that the "slide of the year" nite is our election nite and is also primary nite in Pa. Get out and vote! Not once, but TWICE!!!

I hope the coming of Spring will awaken in all of us, new ideas, hopes, dreams. That all of you will be blessed by the fullness of the Almighty, and come to know True Peace that the holidays will bring to you! *Gigi!*

The Harrisburg Camera Club is pleased to have its annual awards banquet at the historic Paxton Presbyterian Church in Harrisburg. It is the oldest Presbyterian church building in continuous use in Pennsylvania. (We encourage you to come at 6:00P.M. so those of you interested, may get a tour of the Church sanctuary.)

The quaint, old churchyard adjacent to the Church is the final resting place of frontier defenders, soldiers of the French & Indian, Revolutionary, Civil, and World Wars. Also, such notables as John Harris and William Maclay, the first U.S. senator from Pa.

We are fortunate to have one of the oldest camera clubs join with this historic Church for an evening out!

The program for the evening, African Safari, will be presented by Dick and Vinnie Anliot. The Anliots have collaborated on many slide shows in the past. Dick is a former President of the Hbg. Camera Club and has won many photographic awards. He has appeared in many local theater productions, the last being: Willie Loman, in the Death of a Salesman at the Little Theater of Mechanicsburg. His wife, Vinnie, is active in many local organizations, and is a performing member in the Wednesday Club. She teaches piano and her musical background accounts for the well-chosen music in their shows.

The major part of the show is set in Kenya and Tanzania, where they spent 3 weeks on a "photographic" safari. They "bagged" 22 species but as you will appreciate, they were all on film! This hour long show is a melding of their artistic talents, so we hope you come and enjoy the evening with us!!
