WE MOVED!

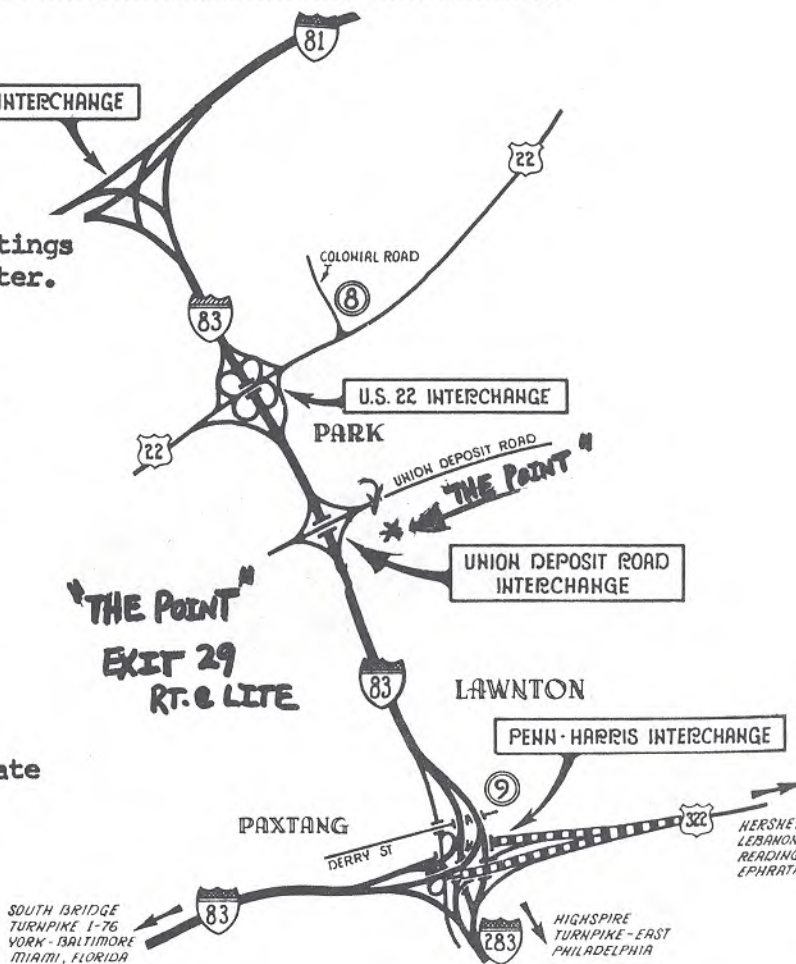

to the Point shopping center. Second, third, fourth Tuesdays each month. Meetings start at 7:00 PM. Vacate the premises by 9:15 PM. Competitors are asked to come before 7:00PM!!! to enter their slides & prints or pre-enter in the preceding meetings.

It is with regret that we announce that the meetings will no longer be held in the Boyd Memorial Center.

The Harrisburg Camera Club wishes to take this opportunity to publicly THANK the directors of the Boyd Center, Joyce Zimmerman, Jack Morris, and any others for their cooperation and HOSPITALITY shared with us the last 2 years!!

Due to circumstances and expenses, we are now moving to the Community Room in "The Point" shopping center as of Oct. 9th.

Meetings will start at 7:00 PM (as we must vacate the premises by 9:15 PM.) We ask the members indulgence during October, while we go thru moving pains.....

From Our President's Pen

O, what a beautiful day we had for our kickoff meeting. There was a total of 24 people that showed up. I'm afraid there were probably more driving around that couldn't find us. We're truly sorry if we caused you any inconveniences!

Along with the new friends we met, we were also visited by our not so welcome friends, the GNATS!!! Our picnic was quickly consumed so as not to keep our uninvited guests around any longer than necessary.

We started our meeting shortly after two, bathed in the warmth of the sun. Such a change from the colder weather we had all week. Bob Sobolevitch started off with soda and a free-flowing discussion, followed by our photo walk thru the woods to the grist mill.

The lighting was just about perfect and we all were able to avail ourselves (of hopefully) some prize winning shots.

It was an enjoyable day, and we hope our new acquaintances as well as old friends join us at our first meeting, Oct. 9th..
