From Our President's Pen 

Frost nipping the pumpkins - kids playing in leaves - sunsets that are especially golden! Autumn is so conducive to photography. I bet many of you are enjoying this Fall and the photos it will bring you.

The camera club has something nipping it - lack of interest. The officers are only your instruments of what you want done. We arrange speakers and judges to give what we hope you'd like. We can only tell by your attendance at the various functions whether we've done well or not.

A few weeks ago, our shootout was held at the Strasburg R.R. Sad to say, 3 camera club members showed up. This must reflect poor choice on our part for the shootout.

How can we do better?

We cannot make better choices if we don't hear from you - the members!

There will be a fifth Tues. this month and we hope to have an informal "round-table" discussion on what we can do as a club to actively pursue the wishes of its members. I invite and urge all of you who have any feelings towards our club to come and participate. If you are unable to attend but would like to contribute your ideas, please, drop us a line at this address:

Let's do this for our club and make it what it once was - the BEST around!

The Kodak Show was a success once again! The Harrisburg Camera Club wishes to thank Jack Morris for all his hard work in bringing the Kodak Show to Harrisburg.

The viewing public was extremely receptive to "The Alps", hosted by two great guys, projectionist, John Green, and narrator, Peter Parker. We hope to have them back real soon!

Thanks to the local camera stores for displaying posters and distributing tickets.

We also wish to thank Bill Sipe from Susquehanna twp. Sr. High and the behind-the-scenes students without whose help we wouldn't have done as well as we did.

COLOR SLIDE NIGHT
 TIME: TUESDAY, NOV. 8, 1983
 7:30 P.M. SHARP
 PLACE: BOYD MEMORIAL CENTER

October got the year started with a spirited competition. A total of 24 competitors submitted slides for judging. Tim Fleegal acted as the sole judge for our kick-off competition. He gave a very informative, helpful and constructive critique of each slide submitted.

The judges for the Nov. 8th meeting will be:

Bryson Leidich - professional photographer
 Skip Webster - Art director - TAL Inc.
 Francis Smith - professional photographer

May I remind you that the deadline for submitting slides for the competition is 15 minutes before the scheduled starting time. I'd like to encourage everyone to submit slides before the day of competition. Your cooperation is appreciated.

For your general information, 50% of Class A and 36% of the Class B slides entered for the October competition received quality points.

Bill Engard

Remember that the ANNUAL gold, silver, and bronze awards are for the TOTAL ACCUMULATED points for the year. Each month you do not submit slide for competition could hurt your chances for a high yearly total score!

We will be honored to have as our judge, a man who has been in photography for over 45 years. Walter Benson is a noted photographer from our area who enjoys sharing it with others.

He received his Master's in filming from Syracuse and was the originator of the Cent. Pa. Industrial Photographers Assn. now known as C.P.P.A. (Cent. Pa. Photographers Assn.).

Thru his years in photography, he has published at least 17 articles in various trade journals. He recently had a one-man show in the "Woman of the Arts".

He has been a judge for the Scholastic Arts competitions.

To add to these impressive facts - he has permanent exhibits both in the Library of Congress and in the Wm. Penn Museum, where his print "Ronks Amish School" hangs!

He has a registered trademark - "Quiet Moments" - reflecting his interest in landscapes and scenics. His work with the multi-image media is similar to the Kodak shows.

We think this will whet your appetite to bring your prints and really learn how you can better yourselves!

Welcome to all who read our newsletter! We hope we are able to broaden your scope of photography. Especially, you who are non-members.

Did you know you could join us at our weekly meetings without being a member?

The public is cordially invited to visit us 2nd, 3rd, and 4th Tuesdays of each month at 7:30 P.M. in the Boyd Memorial Center at 234 South St. Hbg.

We offer instruction, entertainment, and fellowship. Many of our members are happy to share with you their knowledge of photography. We have learned to "see" the world at large and close-up with a better appreciation of what it has to offer.

Hopefully, we'll be able to help YOU "see" better. Please accept our invitation to come "see" for yourselves!

Due to a tough work schedule, Bella Renninger has asked to be relieved of the responsibility for the Print division. It is hoped that after Jan. 1st, she will be able to resume her duties. We'd like to extend our sincere thanks for all her hard work and hope she'll be back with us real soon!
