Happy Holidays to one and all!!
Have you prepared your shopping lists
as well as your "wish" list?
My 1st wish is for a joyful holiday
blessed with health and happiness.
This season has a "mystical" quality
which brings us all together in peace
and harmony, if just a brief while.
My 2nd wish is that we carry this peace
in our hearts into the new year to
light our lives and those around us.

Blessings and Peace to all!

PHOTOGRAPHIC OPPORTUNITY FOR DECEMBER

Merry Christmas to all! This month tends to be a very photogenic time of year. Colorful lights and beautifully decorated trees can be found everywhere. One particular place where the holiday spirit will be in full swing is at Hershey park's Christmas Candylane. Special events, strolling choirs and a spectacular display of over 75,000 Christmas lights adorning an old-fashioned village will greet all who visit. This event offers some excellent opportunities to experiment with some time exposures! The Candylane is open Nov. 23rd thru Dec. 30th. Weekdays 4PM to 9PM: at/Sun 10 AM to 9PM. Closed Christmas eve and Day. It's free to all and offers to be a very colorful photographic experience.

PRINT COMPETITION

DATE: DEC. 18, 1984

TIME: 6:45 PM SHARP

PLACE: THE POINT COMMUNITY ROOM

I'd like to extend a special thanks to Mike Donovan for acting as our judge for the month of November. For those unable to attend, you missed a good pre-judging presentation. Mike provided some useful comments on what factors to be aware of if you want to participate in an outdoor photo show/display. The discussion ranged from how and where to display your prints at your stand to how to go about pricing your work.

This month we welcome another photographer - Ellen Siddons. Ellen has judged many times for our club and has always provided some interesting and useful tips for all photographers. I was lucky enough to view some of her work during a show at the Penn Harris Motor Inn and found her style very interesting. I'm sure we are in for a worthwhile evening of judging.

For those of you who are reading our newsletter for the first time and would like to see what others photograph and what an artist/photographer sees in these photos, come Tues. Dec. 18th. Shop before the competition at the many stores in the Point and then STOP in and see the Harrisburg Camera Club in ACTION!
